SAT for seniors will be on Wednesday, October 14 at Century High School. Visit satpractice.org or khanacademy.org to prepare. Many colleges and universities have waived the ACT/SAT requirement for their incoming freshman classes of 2021-2022. However, it is still a State of Idaho graduation requirement for the Senior class of 2021, and colleges/universities may use test scores in scholarship determinations.

PSAT/NMSQT for Juniors and Sophomores will also be Wednesday, October 14 at Century High School. Details coming soon! Please contact Ms. Goodman in the Counseling Office with questions at goodmana@sd25.us

The **ISU Dual Credit** deadline is September 25th. If you are in a Dual Credit class and have not yet registered or requested Advanced Opportunities funding, please contact the College and Career Advisors to help with that process. For more information go to: [CHS Dual Enrollment](#)

ACTIVITIES/ATHLETICS:

*All games/practices are tentative due to decisions from SD25 & IHSAA about COVID-19
