SAT for seniors will be on Wednesday, October 14 at Century High School. Visit satpractice.org or khanacademy.org to prepare. Many colleges and universities have waived the ACT/SAT requirement for their incoming freshman classes of 2021-2022. However, it is still a State of Idaho graduation requirement for the Senior class of 2021, and colleges/universities may use test scores in scholarship determinations.

PSAT/NMSQT for Juniors and Sophomores will also be Wednesday, October 14 at Century High School. Details coming soon! Please contact Ms. Goodman in the Counseling Office with questions at goodmana@sd25.us

The **ISU Dual Credit** deadline is September 25th. If you are in a Dual Credit class and have not yet registered or requested Advanced Opportunities funding, please contact the College and Career Advisors to help with that process. For more information go to: [CHS Dual Enrollment](#) or <https://sites.google.com/sd25.us/centurycollegeandcareer/home>

SENIORS..... As you are ordering **transcripts for college applications and/or scholarships**, you need to come prepared with the following information: Name of College, City and State for transcripts to colleges and/or the name of the scholarship that you are applying for. You need to have that ordered two weeks in advance of when it needs to be at the college or the due date of the scholarship. Please come see Mrs. Berry with this information and she will be more than happy to work with you.

ACTIVITIES/ATHLETICS:

*All games/practices are tentative due to decisions from SD25 & IHSAA about COVID-19
